

2012 Coach & Manager Application Form

Applicants must have completed one full year in the Triad Softball League to be eligible to serve as a Coach or Manager.

Coaches in the Triad Softball League are responsible for leading a team in practices prior to opening day and other practices at the team's discretion. Coaches are also responsible for making the line-up, assigning positions to players and other such decisions during weekly games. Team coaches should demonstrate good sportsmanship and have a very good understanding of softball in order to effectively lead their team. In TSL, coaches are also expected to attend as many socials as possible and encourage team members to do so, as socialization through amateur athletics is the main purpose of the league.

Managers are responsible for more of the business end and communications for their teams. They should send emails or make phone calls to relay information to the whole team for practices and games. Managers should assist the coach in leading practices and help make decisions about the team as far as line-up and positions go. They should also demonstrate good sportsmanship, attend as many socials as possible and encourage team members to do so, as socialization through amateur athletics is the main purpose of the league.

If you are interested in being a Coach or Manager in the Triad Softball League, please fill out this brief application below and mail it to the address below. Applications must be received by February 18, 2012.
